New Members Event: A new member's event is being scheduled for Tuesday, 28th April 2020

U3A Day 2020 is on 3rd June. The idea is to raise the profile of the organisation by celebrating all that is good about belonging to a U3A. Your committee will be discussing possible ways of celebrating the day in and around Horsley. If you have ideas about what should happen please contact any committee member. Contact details are available on our website. The Third Age Trust has been working to create publicity material which will help promote and raise the profile of each U3A. It will not be branded U3A Day so is usable in the future. Materials to order, including digital files to download, will be available from the shop on the national website, hopefully by 2nd March 2020.

U3A Plus aims to help, support and advise U3As to ensure that all their members can access the informal learning and the many activities in their U3As, regardless of impairment or disability. For more information contact any committee member or click [here](#).

Organisations such as U3A depend crucially on members volunteering to help in many different ways. If you can spare some time to help run Horsley U3A, however limited that may be, please let us know.
